

Accutinter 1500

Best for: Hardware retailers with space limitations

The Accutinter 1500 automatic dispenser is a great fit for small and midsize hardware stores with low-volume tinting needs. Its small footprint saves space, and the simple design makes it easy to operate and maintain.

"I like FM products because they work. They are quick, accurate and precise. Easy to learn and easy to use."

- Leading Hardware Co-op Manager

CANISTER CAPACITY:

3

Quarts

PUMPING SYSTEM:

DVX® technology –
no valves

VOLUME: Low

MAX FLOW RATE:

15

Oz /minute

NOZZLE CLOSER:

Mechanical, spring-loaded
closing device for low-VOC
colorants

KEY BENEFITS

SMALL FOOTPRINT

At just 35" wide x 24" deep, it's the perfect fit for midsize retailers with limited floor space.

ACCURACY, REPEATABILITY & RELIABILITY

Pump technology sets the standard for accuracy, repeatability, and reliability, ensuring that you provide customers with the right color every time.

ZERO/LOW-VOC COMPATIBILITY

DVX pump technology, combined with an automatic, air-tight nozzle closer, make the AT1500 compatible with Zero/Low-VOC colorants.

SELF SERVICEABILITY

A modular canister design and self-service tools, including step-by-step videos, help maximize uptime and greatly reduce the need for on-site service.

One-of-a-Kind Pump Technology

DVX® pump technology puts Accutinter dispensers head and shoulders above the rest:

- Robust construction eliminates component wear
- Valveless design eliminates need for annual calibration, and alleviates need for maintenance
- State-of-the-art electronics provide unmatched speed
- Builds on IDEX experience in designing durable and accurate pumps for health, fire, rescue applications

Driven by ColorPro 4 Software

ColorPro 4 software optimizes the performance of your Accutinter dispensers:

- Automates paint tinting and record-keeping
- Reduces mistints through operator prompts
- Prolongs equipment life with maintenance recommendations
- Features friendly graphical interface

Service and Support

Our customer commitment continues long after the sale with:

- Prompt installation and training
- 24/7 multilingual support
- Factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- FM Direct Connect remote troubleshooting
- Preventive Maintenance and Extended Warranty programs
- YouTube channel with how-to videos
